Video Discussion Questions

Behind the Scenes: "Our World Turned to Water"

1. Author Lauren Tarshis calls the flood in Louisiana "devastating." What details in the first section of the video (0:10 to 0:48) help you understand how the flood was devastating?
2. According to Tarshis, why is it important to share stories of people who have gone through difficult experiences?
3. How does the mood (or feeling) of the video shift starting at 4:30? Consider the narration, visuals, and music.
4. How does this shift in mood reflect one of the central ideas of the video and the article?
